COMPLETION LETTER

To,

Krutika Vijay Bhuvad

Sub: Completion Letter for Java Full Stack Development Internship.

Dear ,

We are pleased to confirm the successful completion of the internship for **Krutika Vijay Bhuvad** as a **Java Full Stack Developer Intern** at **CodeGen Technologies**. We appreciate the dedication and hard work demonstrated throughout the internship.

Internship Details: Java Full Stack Developer Intern
Internship Duration (DD/MM/YYYY): 22/06/2026 to 22/08/2026
Location: Head office, Satara.

Key Contributions:
During the internship, the following responsibilities were successfully carried out:

1. Assisted in the development of end-to-end web applications using Java and front-end technologies.
2. Wrote clean and efficient code for both frontend (React, HTML, CSS, JS) and backend (Java, Spring Boot).
3. Supported database operations using JDBC and Hibernate.
4. Collaborated with the team on application design, integration, and testing.

Skills Demonstrated:

1. Demonstrated knowledge of Java and object-oriented programming with key Java concepts like classes, interfaces, and collections.
2. Applied knowledge of **HTML**, **CSS**, **JavaScript**, and **React.js** for front-end development.
3. Demonstrated ability in building RESTful APIs and integrating front-end with back-end systems.
4. Exhibited strong problem-solving skills and enthusiasm for full stack development practices.

Internship Period:
The internship was successfully completed from 22/06/2026 to 22/08/2026

Once again, congratulations on the successful completion of the internship. We wish you all the best in your future endeavors and hope this experience has been valuable to your professional growth.

Shubham Mane
